

THIS IS MY NORMAL LETTERING IF I WRITE AT A MEDIUM PACE. I THINK THE CONSISTENCY IS LACKING IN MANY WAYS.

I'M REALLY NOT FOND OF MY M W Y OR N, WHICH HAD BEEN N FOR THE PAST FEW YEARS

WHEN I'M TAKING NOTES AND TRYING TO BE EFFICIENT WITH TIME, I GET THIS MESS. I'VE WONDERED ABOUT SWITCHING TO LOWER CASE FOR THE PAST STUFF.

AND AN HB LEAD IN A FENDEL 0.7 MECHANICAL IS MUCH EASIER THAN

A STAEDTLER F PEN WHICH HAS BEEN TOO MUDDY FOR ME LATELY AS I FIND I DO A BETTER JOB

WHEN I CAN LEAVE THE TIP ON THE PAPER FOR LONGER. MUCH LESS CONSISTENT.

ANYONE KNOW OF A GOOD CHISEL TIP PEN?
