

# L.A.T.C. Outreach 2010

The Dept of Consumer Affairs, Landscape Architects Technical Committee, will present information regarding paths to licensure; LATC has approved the UCLA Extension Landscape Architecture Program as fulfilling the education requirement for the licensing exam. To talk about steps to licensure a department representative and a member of the LATC will come and present on February 16th to UCLA Alumni and Students. They will provide answers to questions regarding eligibility for candidacy and any questions regarding the practice itself. It is highly recommended that you attend the presentation at least for the hour before class, as this is only offered yearly.

## Time & Location:

- Feb. 16th, 6-9pm
- 1010 Westwood Building Rm. 214
