EDUCATION

Masters of Landscape Architecture

University of Minnesota – Minneapolis, MN

2011-2014

- Coursework: design and ecology studios, advanced rendering, construction and grading, details, flora identification, metropolitan ecology, urban design, sustainable design and urbanism.

Bachelors of Science, Community and Regional Planning

Iowa State University – Ames, IA

2008-2011

- Coursework: qualitative and quantitative statistical data analysis, geographic information systems, sustainable development, grant writing, site development, and planning and land use law.

EXPERIENCE

Conceptual Design Intern

N2M Architecture and Planning –
Hannover, DE

June 2013-August 2013

- Worked in a team with three architects to develop international spatial planning and urban design projects.
- Drafted and rendered concepts; constructed models

Contributing Editor

There Design Journal – Minneapolis,
MN

January 2013- January 2014

- Worked with contributors to the Issue titled: *Fear*
- Collaborated with concepts with other editors

Landscape Design Assistant –
Minneapolis, MN

Mar 2012-May 2012

- Consulted homeowners on stormwater management and native plants.

Content Editor

CITIES MAGAZINE – Amsterdam, NL

June 2012- October 2012

- Edited issue 2; researched content and made sure it was accurate and communicated clearly
- Participated in creative initiatives and projects like Old Food Amsterdam, in which CITIES presented a duct tape map of Amsterdam with interpretive signs informing visitors of the historic food systems.

Landscape Planning and Analysis Teaching Assistant

University of Minnesota – Minneapolis, MN

August 2012-August 2013

- Co-facilitated a graduate level seminar in Itasca State Park that familiarized students with the landscapes of Minnesota

Planning Intern

City of Ames – Ames, IA

May 2011-September 2011

- Administered a façade improvement grant program in Ames' historic downtown. Collaborated with planners to create grant stipulations and requirements. Reviewed grant applications and met with applicants in the field. Implemented a historical image catalog of downtown and Main St.
- Attended development review committees and departmental meetings. Conducted precedent research related to potential developments.
- Used ESRI software to create greenway maps and completed GAP analysis of future land use map and zoning map. Created context maps for City Council, Zoning Board of Adjustments, and Zoning Commission.
