

# Pablo Cortez

Landscape Designer

## Experience:

### Landscape Design

#### **Landscape Designer for Forest Lawn Memorial Parks in Glendale, CA**

September 2010 – April 2011

I worked closely with the irrigation specialist and horticulturist, as well as staff architects and civil engineers to prepare landscape construction documents for forest lawn properties.

#### **Designer for Integrated Design Group LLP in Upland, CA**

March 2007 – August 2010

I worked with a team of designers on a variety of landscape construction projects including residential, commercial, educational, civic and health institutions.

#### **Designer for Closson & Closson Landscape Architects in Santa Ana, CA**

December 2006 – March 2007

I helped project managers and principal David Closson draft up construction planting and irrigation drawings.

#### **Takeo Uesugi & Associates in West Covina, CA**

June 2006 – August 2006

I assisted principal Takeo Uesugi translating his ideas and sketches to digital drawings.

## Software Used:

Microsoft and Mac operating systems, AutoCAD, Sketchup 3D, Rhino 3D, Adobe Creative Suite including Photoshop, InDesign, Premiere Pro and After Effects, Microsoft Office Suite, Final Cut Pro.

## Education:

### **Bachelor's of Science in Landscape Architecture**

**California State Polytechnic University, Pomona**

June 2007
