ABOUT US

The Alumni Connection (AC) was founded in 1996 as a vehicle for the diverse, talented, fun and energetic alumni of the UCLA Extension Landscape Architecture Program to stay connected with each other, the school and the greater professional community. We are a group of volunteers helping to organize events for professional and educational purposes. By joining the AC, you will help build the Program's professional voice, standing and value; thereby improving opportunities in the job market while educating the public about landscape architecture and the Program.

MEMBERSHIP APPLICATION

We encourage you to **Join** or **Renew** your membership today. Our dues support events, tours, awards, and other efforts that encourage excellence in landscape architecture.
