

Barceló Raval

DESIGN an exhibition. **INFLUENCE** behavior. **EXPLORE** barcelona.

Learn real-time data modeling; explore information display concepts; fabricate full-scale study models; meet local professionals.

Inspire more thoughtful water habits; create cultural change.

We will design a responsive architectural installation for the Hotel Barceló Raval in Barcelona.

We will visually express hotel guests' water usage.

We will spark a change in behavior patterns. **JOIN US.**
