LandDesign

SOUTH CARLYLE SQUARE
 PARK | REVISED SKETCH

TCR
 TERRACONCRETE

South Carlyle Square - Alexandria, VA
 Assistance with hand and digital graphics for an urban plaza design.

Projects

Master Plan

Regional Context

Phasing of Urban Core

Goals:

- 1) Accommodate local food production
- 2) Offset peak seasonal land-use by increased density at core
- 3) Phase density for market by allowing future shift to pedestrian transit zone
- 4) Promote clean water, reduced energy use, and reduced dependence on cars

Green Plan

Miscellaneous - personal works from travel, books, photos.
